COLLEGE BOUND AT LEMOORE ONLINE

On November 30, a group of students from the Lemoore Online COLLEGE CLUB joined *Lemoore Online* counselor, Mrs. James, and *Lemoore Online* teacher, Mr. Righetti, on a guided tour of the UC Merced campus. During their visit, our students had the opportunity to see, explore and ask questions about many different aspects of student life at UC Merced, including: student housing, eating facilities, research labs, classroom facilities, and majors highlighted at UC Merced. Our students were most impressed by the newness, walkability and friendliness of the campus; the Engineering program and it's STEM LAB; offerings in the PreMed and Public Health Administration fields; and the UC Merced Teacher Education Program which incorporates a Teaching Credential into a Bachelor's Degree. It was an informative and motivating day for all!

Senior Activities

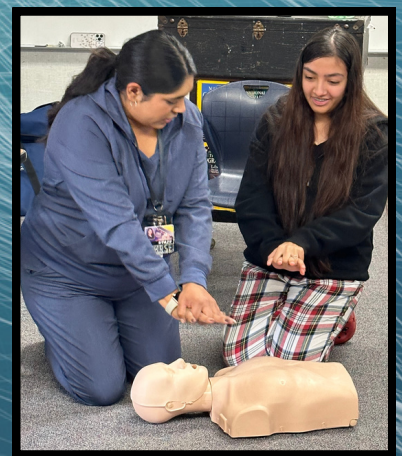

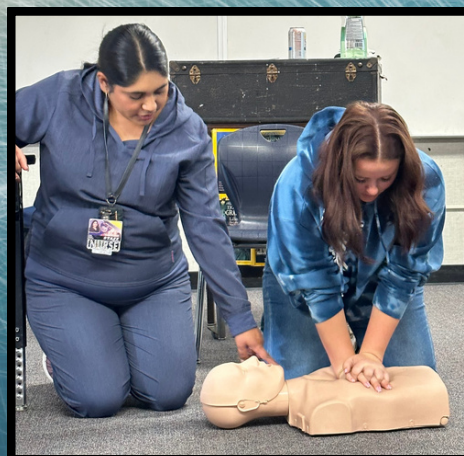

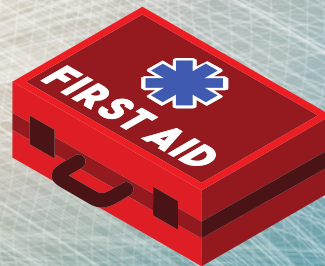

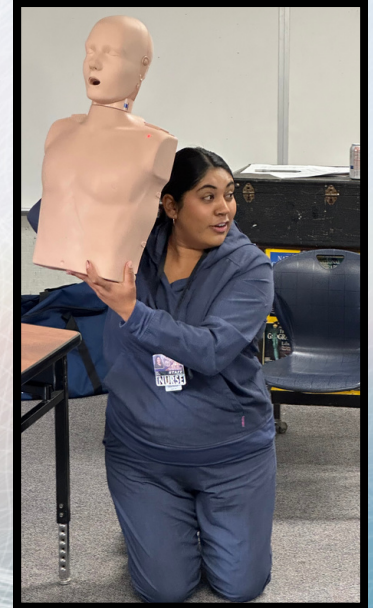

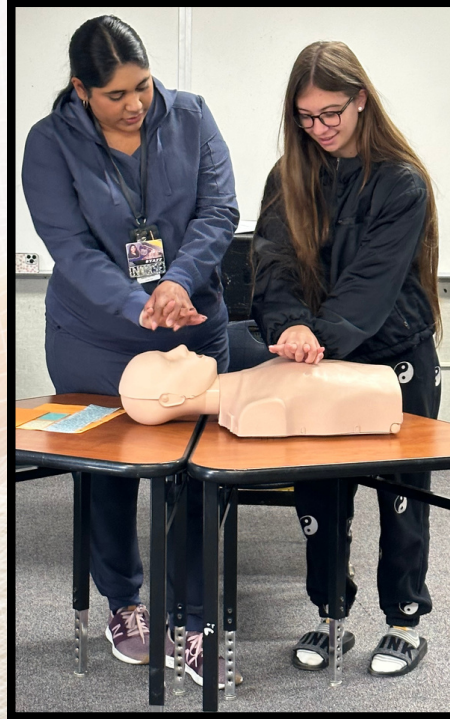

2024

SENIOR CPR DAY 2023

On November 29, 2023, Seniors at *Lemoore Online*, completed the final phase of the LUHSD C.P.R. graduation requirement by attending a CPR demonstration presented by our LUHSD nurse, Mrs. Ramirez. Students demonstrated their learning by giving a digital dummy CPR. Students learned how to: survey the scene, call for help, work with a buddy, and give life-saving CPR with the appropriate pressure, posture and pace. The dummy offered immediate feedback to the students via a light display which evaluates the quality of the CPR administered.

After the CPR demonstration, the seniors remained on campus for the THIRD of six “Senior Homerooms” that will take place during the 2023-2024 school year. Students collaborated with their peers, teachers and the counselor in order to complete assignments in preparation for the Senior Exit Interviews that will occur in April 2024.

CLUB Corner

COMMUNITY SERVICE CLUB

On November 17, 2023, the COMMUNITY SERVICE CLUB hosted a Holiday Card-making event on-campus. Students created personal, hand-written cards that will be given to elderly persons in the community for the Holidays.

NEW C.S.F. CLUB APPROVED!

Lemoore Online is proud to announce that it has been “OFFICIALLY approved” to host it’s own C.S.F. (California Scholarship Federation) chapter. This state-wide organization recognizes and encourages students who have demonstrated outstanding academic achievement in high school. Led by club advisor, Mr. Righetti, the *Lemoore Online* CSF CLUB is ready to be a motivating force on campus and is looking forward to celebrating students’ many academic achievements.

Campus EVENTS

Parent Night

On December 6, 2023, Lemoore Online parents were invited to attend an in-person event for parents hosted by West Hills College. Parents had the opportunity to learn AND ask questions about: *Dual Enrollment classes, financial aid, preparing for college; student support at West Hills College, and tips for parents & students.*

#LynxParents

SPiRiT Dress-Up DAYS
For the first 2 weeks of December, Lemoore Online students and staff were invited to show their school spirit by dressing up for the HOLIDAYS.

#LynxHaveSchoolSpirit

New ELD Homeroom

Lemoore Online has a new Homeroom class designed especially for English Learner students. Led by Mrs. Jacobs, E.L. students are preparing for the ELPAC (a test) and building their fluency.
