CSF is Seeing GOLD

Lemoore Online has just completed its application period for **California Scholarship Federation** membership. For the **Spring of 2024**, we had **26** students qualify - that is **18% of our students!** Also, **all 13 of the seniors** who applied are eligible for *lifetime membership* pending their grades senior year. We are so proud of our LYNX students and excited to see those **GOLD honor cords** at graduation in May of 2025. A BIG “thank you” goes out to our CSF club advisor, **Mr. Righetti**, for assisting our students with the application process.

Community Service Club members are SERVING all over town!

It's been a busy month for the Lemoore Online Community Service Club.

- Our LYNX students have already helped out at several **Lemoore College Food Distribution** events this year.
- On September 26, 2024, we had several students & staff participate in the “**Walk of Pride**” event, hosted by the **Tachi** tribe.
- Earlier this week we had over 20 students at the **Lemoore Community Garden** helping to clean up and beautify the grounds.

We are so proud of our LYNX students and their demonstrations of leadership and community-mindedness. A BIG “thank you” goes out to club advisor, **Mrs. Jacobs**, for her leadership.

The 2 Mile Club is BACK!

Back for Year 2...the **2 Mile Club** is back in action! Every 2 weeks an ambitious group of students, parents, and staff walk together as a group around the Lemoore College campus...it's good company AND good for your step count! Thank you to club advisor, **Mr. Macias**, for leading the way!

a LAWYER

"I served as a teacher at Lemoore High School for 22 years prior to transitioning to Lemoore Online. My experience at Lemoore Online has been gratifying, as I have developed significant personal and educational connections with my students and their families. The relationships cultivated are effectively nurtured through the weekly check-ins implemented as part of the Lemoore Online approach."

~ Mr. Macias

PROGRAM Spotlight: Athletics

For the first time ever at Lemoore Online we are proud to announce that we have several students participating in ATHLETICS programs at Lemoore High School. In order to play a sport at LHS, our students have to follow the same eligibility rules and tryout procedures as all other LHS athletes PLUS they must stay in "good standing" at Lemoore Online and meet our eligibility requirements. Currently we have three students playing Fall Sports - Mitchell Halstead (FROSH Football), Natalie Sanchez (Tennis), and Alyza Sanchez (Cross Country). Lemoore Online is honored to be a part of the tradition of excellence that is LHS Athletics!
